COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313

Sir:

The following comments are in response to the Examiner's Statement of Reasons for Allowance in the Notice of Allowability dated April 6, 2005.

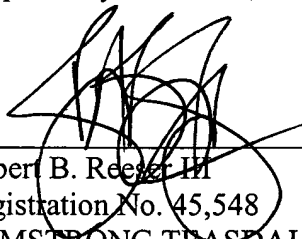

Applicants believe that the Statement of Reasons for Allowance in this case is improper as it merely copies portions of each limitation of the independent claim into the reasons for allowance. While Applicants believe that the claims are allowable, Applicants do not acquiesce that patentability resides in each feature, exactly as expressed in the claims, nor that each feature is required for patentability.

Also, reasons for allowance are only warranted in instances in which the record of the prosecution as a whole does not make clear the Examiner's reasons for allowing a claim or claims (see 37 CFR §1.104(e)). In the present case, Applicants believe the record as a whole does make the reasons for allowance clear and therefore no statement by the Examiner is

necessary or warranted. Furthermore, Applicants do not necessarily agree with each statement in the reasons for allowance and do not necessarily agree with the Examiner's interpretation of the teachings of the cited art.

Respectfully submitted,
